**KLAMATH COUNTY SCHOOL DISTRICT**
**Greg Thede, Superintendent**
**2845 Greensprings Drive**
**Klamath Falls, OR 97601**

September 20, 2017

Dear Parents:

Occasionally weather conditions or other emergencies require us to take some special action regarding school closures and early dismissal. The following is our plan to let you know when school will not be held as regularly scheduled.

If we find it necessary to close school in the morning, announcements will be made over the radio and television stations listed below after 6:00 AM. We advise you to listen to your local stations in the mornings and/or visit our district website where a message will be posted.

If it is necessary to dismiss school early due to bad weather or other emergencies, announcements will be made on the same radio and television stations periodically throughout the day and posted on our district website as soon as a decision is made.

**Our first line of communication will be through the One Call Now system. Please make sure that the school(s) your student(s) attend have your current contact information in the system.**

**Please do not telephone the stations, the school, or the school district office**. Arrangements have been made with the stations to broadcast the information to you.

Thank you for your help.
