The time is almost here.....

Dear Parents and Guardians,

This year has flown by and as we get ready to close out this successful year it seems fitting to take a moment to discuss the upcoming personnel changes for this next year. Ms. Dulcy Monroe, our Aventa coordinator and Title I paraprofessional, will be retiring after 39 years of service to the Klamath County School District. Truly she will be missed and we wish her the best as she enjoys her well deserved retirement. Also, Mr. Todd Pasche will be teaching at Brixner Junior High School this next year as their Health teacher. He has been instrumental in bringing a positive climate to Chiloquin with his constant professionalism, which has not been overlooked. Mr. James Lockwood, our resource teacher, will be taking over the Health and PE program as we search for a new resource teacher. He also will be the head football coach with several years of previous experience in this role. Our Title 6 Liaison, Mr. Tom Riach, will not be returning this next year, but Tom will continue to support our students wherever he can. Mr. Carl Borzencki, our Spanish foreign language learning facilitator, has had a challenging year as we tried to maneuver through a rigorous on-line curriculum. He will not be with us this next year, however KCSD will continue to review viable options this upcoming year in regards to the Spanish program. Finally, I will not be returning as I transition into being semi-retired to assist an ailing father-in-law and to spend time with my husband and grandchildren. Mr. Scott Preston will be the new principal beginning July 1st with Mr. Jordan Osborn joining Mr. Preston as the AD/Vice Principal for this next year. I know these individuals will continue to foster an environment of success for Chiloquin. In closing, I am truly grateful to have serve you for these past few years and thanks to all of you for your support. Have a wonderful summer!

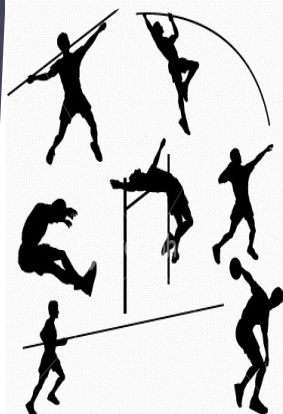

Chiloquin Jr/Sr. High School
MISSION STATEMENT
The staff of Chiloquin Jr/Sr High School will collaborate and promote AVID systems school-wide to create a college-going culture and improve academic performance.
