

My signature below indicates that I have read and understand that KCSD supported transportation to and from activity contests will be provided by various means including, but not limited to the following:

1. KCSD Transportation – school bus, activity bus
2. KCSD approved rental vehicles
3. Volunteers – private vehicles with driver/vehicle information of file
4. State approved privately owned buses

In any case teachers, advisors, chaperones, and bus drivers will continue to assume an aggressive role in the control of students while riding in approved means of provided transportation.

Building administrators and/or advisors will make every effort to notify parents/guardians of the means of transportation prior to the scheduled event.

Please contact your building administrator for further information regarding means of activity transportation offered through your school.
