High School Internship Position

Learn about the food cart industry and experience the fast-paced environment of food service.

Mac and Cheese Steaks is interested in teaching a Klamath Basin high school student about the in's and out's of business ownership, the growing food cart industry, and how to provide an excellent product to their very loyal customer base. This individual will be an assistant for the mobile food unit. Mac and Cheese Steaks is searching for an intern to assist in day to day operations. Previous kitchen/serving experience a plus, but not required.

In this environment, there are many hours standing, interacting with customers and providing excellent customer service in a wide variety temperatures. This internship entails every restaurant position - all in one small setting. From talking with customers, to doing dishes, to cooking, preparation work, to cleaning the dirtiest of areas; it all has to be completed every day. The ability to multi-task and have a keen attention to detail is extremely important because at times, there are up to thirty orders in a short period of time. Having the ability to work well under pressure is a must!

Requirements:

- Oregon Food Handler Permit – before internship is started, this must be completed
- Ability to stand for long hours in various conditions
- Able to lift 40 lbs.
- Communication skills between customers and workers
- Able to handle change and money without a calculator
- Willingness to learn recipes, knife skills
- Organization and control of the work area
- Follow directions and recipes
- Ability to multi-task
- Know how to work under pressure
- Willingness to handle knives

Expected hours:

- 35-40 hours/week – weekend work is likely

Student can expect:

- experience in a hands-on, working environment
- incredible daily variety
- opportunity to learn about the hospitality industry
- increased communication and money handling skills
