## Why is it important to go to parent-teacher conferences?

Going to the parent-teacher conference provides you and the teacher an opportunity to work together as a team in order to help your child. You each have an important perspective to share. As the parent, you know your child's personality, habits, strengths, and weaknesses. The teacher, on the other hand, has been trained professionally in the best methods of teaching, meeting individual student's needs, how to control classroom behavior, and how to help your child succeed in school. Working together you will be able to find ways that each of you can provide the appropriate and necessary support for your child.

In addition, the more you know about your children's school and classes, the more likely they will be to talk about daily experiences with you. They will appreciate your concern and involvement, and they will be more likely to approach you when they have problems.

### **BONANZA ELEMENTARY PARENT/TEACHER CONFERENCES:**

**MARCH 18** 3:45-7:15 PM

**MARCH 19** 12:00-5:00 PM

and 5:30-7:00 PM

**Spring conferences will be student-led. Please watch for more information to come home from your child's teacher.**

#### **Important Notice Regarding Special Education**

*Sometimes students experience substantial on-going difficulties in school as the result of disabilities. If the school team or your child's teacher(s) have this concern, they will contact you to discuss it. If you are concerned that your child may have an educational disability and is in need of special education services, please contact the school principal.*
