- Fees will be assessed for books that are lost, not returned, or damaged.

#### Miscellaneous

- Students may pick-up any remaining items from their lockers at this time.
- Lost and Found will also be available.
- Unpaid Lunch account balances can be paid at this time.

## Scheduling for Next Year

All current and incoming Brixner students have been sent, via student e-mail accounts, scheduling information for next year. Scheduling will be done remotely. Our counselor, Mrs. Himelwright has been communicating with all students. Please make sure to accomplish the following two things before scheduling **June 1<sup>st</sup> through June 2<sup>nd</sup>**.

1. Make sure your child is enrolled at the correct school.
2. Make sure your child knows how to check his/her email and that they can log into their own e-school account (not parents' e-school). Students need to be able to access e-school to request classes.

If your child **has** logged into e-school before, please have them try again and make sure they remember their username and password. Write them down. You are good to go!

If your child has **never logged in before**, or **forgot their username or password**, you need to email Mrs. Himelwright [himelwrightc@kcsd.k12.or.us](mailto:himelwrightc@kcsd.k12.or.us) so she can get you the information you need.

Brixner students can only request classes June 1<sup>st</sup> and June 2<sup>nd</sup> using their e-school account.

Therefore, **it is very important that your child is practicing getting into their e-school now**, so they will be comfortable doing it when they have to request classes. Also check out Brixner's course catalogue on Brixner's website.
