Parent Request for Evaluation

A parent may request a meeting to discuss an evaluation for special education at any time. To arrange a meeting, contact your child's teacher, the school principal, or special education teacher at your child's school.

Guidelines for requesting a student opt out of state required testing:

The State of Oregon requires school districts to test students using the Smarter Balanced assessment in grades 3 thru 8 and in grade 11. Districts are required to test 95% of all students and 95% of students in specifically defined groups identified on the annual school report card.

Parents and adult students are allowed to opt out of state required testing in accordance with Oregon law. The opt-out procedure has been defined by the Oregon Department of Education, and the required forms are available on the district's website under the tab marked for "Parents." The Oregon Department of Education allows only this official form to be used to request a student be "opted out" of testing. Opt out forms must be filled out completely and signed by the parent or adult student in the presence of a school official. Opt out forms must be received prior to the start of student testing.

Lineamiento para solicitar que un estudiante no tome el examen estatal por exclusión voluntaria:

El estado de Oregon requiere que los distritos escolares examinen a estudiantes utilizando la Smarter Balanced Assessment en los grados 3 al 8 y en el grado 11. Los distritos están obligados a administrar el examen a 95% de todos los estudiantes y el 95% de los estudiantes en grupos específicamente definidos, identificados en la tarjeta anual de calificaciones.

Los padres y los estudiantes, como parte de la ley estatal, pueden decidir voluntariamente no participar en el examen de Smarter Balanced Assessment. El procedimiento de exención ha sido definido por el Departamento de Educación de Oregon, y los documentos necesarios están disponibles en el sitio web del distrito en la pestaña marcada para "Padres" llamado Opt Out: Spanish. El Departamento de Educación de Oregon solamente permite el uso de este formulario oficial para solicitar la "exclusión voluntaria." Estas formas deben ser llenadas completamente y firmadas por el padre o madre de familia, o el estudiante adulto en presencia de un oficial de la escuela. Las formas deben recibirse antes del comienzo del examen.

School Delay or Closure

In the event that bad weather should close or delay school, we will use the One Call system to inform parents. You can also check the KCS D website at www.kcsd.k12.or.us for updates. Please do not call the school or Bus Shop, as these lines must remain clear for other calls related to the closure.
