

Henley Middle School 2020-2021

From the Principal's Pen

Welcome!

First, let me thank you for your support and understanding as we respond to COVID-19 and the requirements surrounding educating your child for the 2020-21 school year. Our staff want nothing more than to be in the building teaching your child. We will start the school year with Comprehensive Distance Learning until the State metrics allow us to return with a hybrid schedule. I'm very proud of the way KCSD employees and leaders have handled the demands we've been faced with to protect everyone as we plan to educate and feed our students for the 2020-21 school year. While we are in the business of educating, our first priority is the safety of our students while delivering high quality instruction. Be assured, that we have been working diligently on the Oregon Department of Education's required Ready Schools, Safe Learners plan.

I encourage our parents to frequently visit our webpage, watch for emails and follow our social media for up to date and accurate information. As we continue our back to school process, we will keep you updated. Thank you for your continued support and positivity as we strive to do what is best for all students during these challenging times.

Kristine Creed
Principal, Henley Middle School

Important Things to Remember

- Online or in-person registration, or reviewing and updating registration runs through August 21
- Complete the HMS schooling options Form located on the KCSD website through August 21
- Soft start from August 31- September 4. We will be checking out Chromebooks, textbooks, handing out limited school supplies (our basic school supply list is located on our webpage) and providing student schedules. We will also be offering Schoology parent training. **This will be by appointment only.** Your child's advisory teacher will be reaching out to you starting August 26th to schedule that appointment.
- Comprehensive Distance Learning will start on September 8
- In-building instruction will start for resource students on September 8. IEP students will be contacted by the resource room teacher with more information.
- All students enrolled in the KCSD will receive free meals.
