## **ABOUT HENLEY MIDDLE SCHOOL**

Part of the Klamath County School District, 10501 Washburn Way, Klamath Falls, Oregon 97603, Henley Middle School is located three miles south of the Merrill-Lakeview Junction at 7925 Highway 39, Klamath Falls, Oregon 97603. Henley Middle School services grades 7 and 8.

### **Cutting Edge**

The Klamath County School District (KCS D) curriculum department coordinates with Henley Middle School staff to insure the school implements state requirements. The state mandates the concepts and provides the guidelines for subject matter instruction. This allows the district and Henley Middle School to stay at the forefront of curriculum and instructional development. Our instructional strategies are constantly being updated through workshops and in-service.

Henley Middle School gives each child multiple opportunities to meet the Oregon State Standards and Benchmarks in Reading, Writing and Math. Our students consistently score above the state average on statewide assessment tests and was named by the State of Oregon as an **OUTSTANDING SCHOOL** for the 2011/12 school year.

### **Philosophy**

**At Henley Middle School our mission is to create a community in which learning and enjoyment meet to give everyone opportunities to experience success, responsibility and growth.**

### **History and Facilities**

For more than 100 years, Henley Middle School has helped develop the knowledge, skill and attitudes of thousands of Klamath Falls area youth. We take immense pride in our history and alumni, as well as our safe and positive school climate. Having our primary feeder school located within the same complex fosters a true feeling of cohesiveness and results in students knowing that they are truly a part of the Henley community.

We find it important to recognize not only students who show improvement but also students who are able to maintain a high level of academic success as well as students who continually strive for excellence by following our PBIS guidelines by being safe, responsible and respectful.

To recognize academic success, we hold a reward activity afternoon every six weeks. Students who have not received an F during that six-week period are rewarded with a myriad of activities, including dances, time in The Hive (our recreation room), and movies. In addition, students are recognized as “Self Managers” during our school-wide assemblies. This honor is bestowed upon those students who best epitomize the principles of our PBIS guidelines. These “Self Managers” earn special privileges that last the duration of the week.

Despite the fiscal challenges that the district has faced in recent years, we are proud to be able to still offer a well-rounded education to our students through our exploratory program, which allows individual instructors to develop courses and curricula showcasing their own talents, skills, and interests. Among these exploratory courses are offerings in drama, graphic design, archery, leadership, and more.

Regardless of the changes that take place within the district and the community, one thing that remains a constant is the dedication of the educators and support staff at Henley Middle School. Teachers that come to Henley, stay at Henley. They are dedicated to life-long learning and invest their careers in the school, students, and the Henley community.

The school building was completed in 1950 and served as Henley High School until 1973. From 1974 until 1993, the building served as Henley Junior High School. In 1993, the building became Henley Middle School, continuing to serve seventh and eighth grade students.

The main building has seventeen regular classrooms, girls' and boys' locker rooms, cafeteria and kitchen, four student bathrooms, gymnasium, media center, and office administration area. The campus includes a noon recreational area, track and two playing fields.

## **Truancy**

A student who is absent from school or from any class without permission will be considered truant and will be subject to disciplinary action including detention, suspension, expulsion and/or ineligibility to participate in athletics or other activities.

All snacks, foods, and drinks are to be consumed in the cafeteria not in the hallways or outside.

Students who are not eating lunch are to go directly outside. Students may remain in the cafeteria during inclement weather. Students are not allowed to gather in the foyer or at the door. Outside boundaries are the

tennis courts, football field, and the gates near the cafeteria. Students must remain inside the fence.

A student leaving school during the day without being released through the office will be considered truant.

### **Dress and Grooming**

The responsibility for the dress of the student rests with the parents/guardians. Dress and appearance do have a definite relationship to the conduct of the student. Neat appearances add to an atmosphere conducive to study and to the attitudes and activity appropriate for a young person of this age group. Any student who arrives at school in attire that could produce a safety hazard or be a disturbing influence may be asked and/or sent home to change. School administration will determine dress that is appropriate for school. When students are participating in a school activity such as music groups, or any group representing the middle school, they will dress appropriately for the occasion. This promotes school spirit, team spirit, and feelings of participating in special groups.

Students are encouraged to take pride in their dress and their work. Hats or headgear of any sort are not to be worn in the building. All headgear needs to be placed in lockers upon entering the building. Hats may be worn during lunch recess outside. If headgear is not put away, it will be confiscated.

**Please do not telephone the stations, the school, the bus shop, or the school district office.** Those lines must remain clear for other calls related to the closure or delayed opening.

Arrangements have been made with the stations to broadcast the information to you.

### **PLEASE DO NOT TELEPHONE THE STATIONS.**

Frequent announcements will be made. School closure results in automatic cancellation of the school activities program unless information to the contrary is specifically released.

Be sure your child knows where to go if an emergency is declared and schools are closed early. Most parents have made arrangements with a neighbor who lives close by to take care of their children when no one is at home. This should be within walking distance of your home.

## Environmental Concerns

Many of our students and staff have serious allergies and asthma that can be triggered by inhaling perfume, cologne or aerosol sprays. One of our

If the student becomes too ill to remain at school, or has an injury requiring medical evaluation the student will be released to the student's parents or to another person as directed by parents on the student's emergency form. School staff will administer emergency or minor first aid as necessary. The school will contact emergency medical personnel,
