Students meeting state grade-level expectations.

#### MATHEMATICS

Students meeting state grade-level expectations.

#### SCIENCE

Students meeting state grade-level expectations.

### School Goals

Our school strives to create safe and memorable learning experiences where students grow through challenges and opportunities. Through our school initiatives, our staff is committed to providing high quality academic and social skills instruction to meet the needs of all students. We are committed to relationship and community building and addressing chronic absenteeism in order for students to be successful both socially and academically.

### State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

### Safe & Welcoming Environment

Bonanza Elementary promotes a welcoming environment for students and families by providing bilingual interpreters for communication at meetings and parent/teacher conferences. We also have begun focusing our efforts on providing student leaders with leadership curriculum that gives them strategies and tools to reach out to other students to ensure everyone feels welcome and accepted in our school community. We use Belong Partners practices that model and teach conflict resolution, problem solving, and relationship repair. Our school community values our community partners.

### About Our School

#### BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all of our students, our school teaches social-emotional skills and bully prevention lessons to help students and staff recognize bullying and harassment and provide strategies for intervention. We have a full-time Child Development Specialist on staff who meets with groups of students on a case by case basis to address conflicts between students and to provide strategies for dealing with conflict and harassment. We conduct monthly safety drills and have access to a school resource officer. Our school has worked extensively on the development of an Emergency Operation Plan which outlines our preparedness plans for all emergency situations.

#### EXTRACURRICULAR ACTIVITIES

All extra curricular activities are currently provided by outside agencies like the YMCA, Basin United Soccer Club, Little League, Girls/Boys Scouts, and local churches. Our school works to collaborate with these valuable community partners to provide space for these programs to meet with students.

#### PARENT ENGAGEMENT

Our school strives to engage all of our parents by holding yearly events like Play 2 Learn nights and family BINGO night where parents are welcome to attend. We also have an active Booster Club that meets monthly with administration to help plan events and offer support and problem solve areas of concern. All parents are welcome and invited to be a part of the Booster Club.

#### COMMUNITY ENGAGEMENT

Our school engages our parents and community by hosting a variety of events intended for parents and community members to attend:

- Open House
- School spirit and character assemblies
- Play 2 Learn nights
- Family BINGO nights
- Winter program
- Parent/teacher conferences
- Booster Club meetings
- Community Give Back Day
