School Goals

The goal of Gearhart Elementary School is to provide the best possible education for our students in our rural community. The school typically has fewer than 30 total students throughout grades K-6. It is the goal of the school to continue to work together with families to provide that education.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Everybody works together at Gearhart Elementary. Our school community values our community partners.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all of our students, our school teaches social-emotional skills and bully prevention lessons to help students and staff recognize bullying and harassment and provide strategies for intervention. We have a Child Development Specialist on staff who meets with groups of students on a case by case basis to address conflicts between students and to provide strategies for dealing with conflict and harassment. Our school has worked extensively on the development of an Emergency Operation Plan which outlines our preparedness plans for all emergency situations.

EXTRACURRICULAR ACTIVITIES

All extra curricular activities are currently provided by outside agencies like the YMCA, Basin United Soccer Club, Little League, Girls/Boys Scouts, and local churches. Our school works to collaborate with these valuable community partners to provide space for these programs to meet with students.

PARENT ENGAGEMENT

Gearhart holds partnerships and trust between the students, parents, and staff. Parents help support their child's education by monitoring attendance, monitoring homework, communicating with staff, and becoming part of the school community.

COMMUNITY ENGAGEMENT

Gearhart school provides the community opportunities to use the facility for community events. The school is also supported by an extension of the county library which is housed in the same facility.
