Median class size.

#### REGULAR ATTENDERS

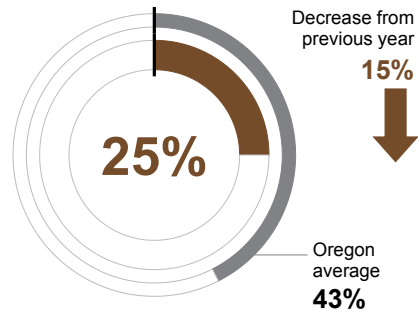

Students who attended more than 90% of their enrolled school days.

### Academic Success

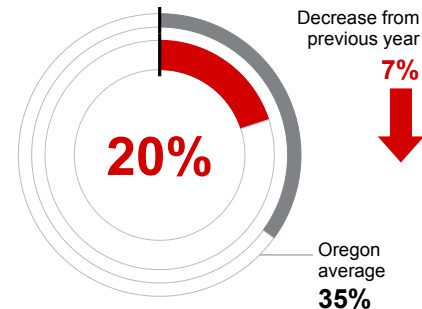

#### ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

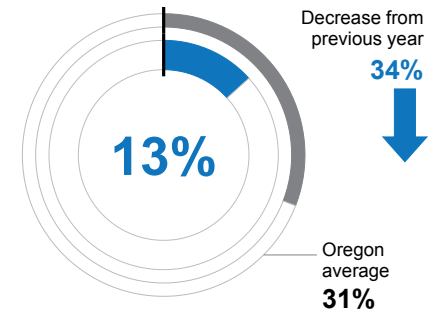

#### MATHEMATICS

Students meeting state grade-level expectations.

#### SCIENCE

Students meeting state grade-level expectations.

### School Goals

Gilchrist strives to promote student success by helping students to regularly attend school. Through our academic and attendance initiatives, students are recognized and rewarded every 6 weeks for academic and behavioral success and regular attendance. Gilchrist Elementary is also teaching growth mindset to students and using this to help support students in academic areas that are difficult for them.

### State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

### Safe & Welcoming Environment

Gilchrist Elementary uses regular safety drills, so that students will know what to do in case of emergency. We also use security cameras on our school grounds. Our playground is completely fenced as well. We invite parents to events such as student of the month and after school and evening events. We welcome students each morning and have classroom community time daily to prepare them for learning and celebrate their successes. We also send out regular school newsletters to keep parents updated on what is going on and what upcoming events are going to be happening.

### About Our School

#### BULLYING, HARASSMENT, AND SAFETY POLICIES

Our school strives to prevent bullying and provide a safe environment for learning in a variety of ways. We teach the Second Steps and Character Strong Programs to all grade levels. We also have many school-wide positive behavior support systems in place. In addition to Second Steps and Character Strong, we have a school counselor who works with groups of students to build specific social skills. Gilchrist Elementary also has implemented Conscious Discipline and Character Strong which builds a sense of family throughout the school. We begin our school days with classroom community time to bring all the students together.

#### EXTRACURRICULAR ACTIVITIES

Our school offers basketball for our elementary students during the late fall. We also offer wrestling during the winter for elementary students. Our sixth graders participate in middle school sports with our middle school students.

#### PARENT ENGAGEMENT

Gilchrist Elementary invites parents to participate in student of the month events. Throughout the year, we have other evening events for students to participate in with their parents. Some of these include Open House, Harvest Festival, Love of Reading Night, and Night of Celebration. We also invite parents to holiday parties and student of the month assemblies.

#### COMMUNITY ENGAGEMENT

Gilchrist Elementary students participate in SMART Reading. We also partner with the Gilchrist School Based Health Center and Advantage Dental for Health Screenings, Dental Screenings, Sports Physicals, and Well Checks. We also participate in Give Back Day, when Gilchrist students spend a day to help the community.
