Students meeting state grade-level expectations.

School Goals

Malin Elementary helps all students have academic success by viewing every student's data monthly and meeting as a team to decide the best educational plan for each student. Our goal is to take each student as far as academically possible during the year. We also use positive discipline approaches, in the form of restorative practices and trauma informed strategies in order to advance the growth of the whole child.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Our school serves a diverse population of students and we strive to help all students and their families feel safe and welcome. We send information home in English and Spanish, we also have interpreters attend almost all meetings where parents are in attendance. We are constantly trying to improve the safety on our campus by having various drills and trainings. Our school has cameras at every exit and a locking door system that requires visitor recognition before entrance.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

At Malin Elementary we use the "Character Strong" curriculum, K-6, to reinforce a positive school culture and climate. The Klamath County School District supports this program by providing a trained facilitator to implement the bullying section of the program.

EXTRACURRICULAR ACTIVITIES

Through the school and our small community we offer:
YMCA sports
Swim lessons and activities at the Malin pool
Malin Public Library
Way Station gatherings
4H
Afterschool church
Czechoslovakian Club
Pop Warner Football
Afterschool Homework Club

PARENT ENGAGEMENT

Malin Elementary has a strong parent club that has monthly meetings and activities to raise money for school functions. We have parent-teacher conferences two times a year. Malin students also have at least three holiday celebrations every year which involves lots of parents, grandparents and community people. Parents are invited by teachers for class "project" presentations put on by the students.

COMMUNITY ENGAGEMENT

Malin Elementary is the hub of our small community. Oregon Child Development Coalition holds meetings and family dinners several times a year.
