Students earning a high school diploma or GED within five years. Cohort includes students who were first-time ninth graders in 2018-19 finishing in 2022-23.

COLLEGE GOING

Students enrolling in a two or four year college within 12 months of completing high school in 2021-22. Data from the National Student Clearinghouse.

School Goals

Viking Nation Staff is committed to providing and delivering an exceptional educational experience for all students. MHS has a wealth of choices where every student can be involved and make their high school experience safe, enlightening, successful and memorable. For all our programs, we recognize attendance as a first priority, because if you don't get to school, the opportunities will be impossible to realize. Our staff attempts to follow up on attendance daily, using a variety of methods: automated dialer, home visits, parent meetings, letters home, juvenile court, School Resource Officer and the list goes on.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Our school strives to ensure all students and their parents feel welcome by offering a variety of staff in our school office to assist you. We make every effort to communicate home through mail, phone, web page or text for easy access. Interpreters can be on site for parent conferences and other school meetings where parents are present.
