To the Future Center,

We are excited to announce that the Sharon Rene Schwab Trade School Scholarship Fund will be awarding a scholarship this year to support a graduating student pursuing a trade school education. This scholarship is for students planning to attend a vocational or technical school rather than a traditional college or university.

We would love your help in spreading the word to your students! We invite interested seniors to submit an essay of (400- 600) words telling us about themselves, their chosen trade, and why they are passionate about this career path. We request 1 letter of recommendation from one of the following: a teacher, counselor, community member or clergy (Do not include relatives.) The scholarship amount will be \$1500.00 awarded to the student's program.

Students should mail their essay to:

The deadline for submissions is 06/01/25. The scholarship committee will select the winner by 07/01/25

Thank you for helping us support the next generation of skilled trade professionals!

Sincerely,

Lorrie Hartman
