# PRINCIPAL'S MESSAGE

Welcome to Mazama High School, home of the Vikings. Our future begins now as we welcome the freshman Class of 2027 to Mazama and we look to the class of 2024 to set a positive example. We intend to instill in each student our vision for the relentless pursuit of growth, knowledge and character.

The Viking staff is committed to providing and delivering an exceptional educational experience for all students. I cannot emphasize enough the importance of getting involved in our school by joining a club, an activity, becoming part of an athletic team or the performing arts. Mazama has a wealth of choices from which every student can choose to be involved and make their high school experience enlightening, successful and memorable.

The Mazama High School community has been a longtime supporter of all of the programs we offer and we want to continue this partnership with the community and parents of our students for many years to come.

We are pleased to offer this handbook to you, whether you are a student, parent, community member or a potential community member looking to bring your student to Mazama High. You will find a wealth of important information here but I also encourage you to explore the new district and school website. Between the two resources, you will find registration materials, activity calendars, links to staff email addresses, phone numbers, and curriculum information.

Once again, I would like to welcome all students to what should be the best that Viking Nation has yet to experience.

Welcome!

Dr. Jennifer Hawkins  
Principal

# MAZAMA POLICIES & PROCEDURES

## **ABSENCES & ATTENDANCE**

### **ATTENDANCE**

In estimating regular attendance for purposes of the compulsory attendance provisions of ORS 339.005 to 339.030, 339.040 to 339.125, 339.137, 339.420 and 339.990, the principal or teacher shall consider all unexcused absences. Eight unexcused one-half day absences in any four-week period during which the school is in session shall be considered irregular attendance (ORS 339.065). For the purpose of determining irregular attendance, four unexcused full-day absences or a total of 28 individual periods (based on a seven-period day) will also be considered the equivalent of eight unexcused one-half day absences. Students who fall below the 92% attendance rate or who accrue excessive excused absences may lose their privilege of excusing future absences and consequently future absences may be regarded as unexcused. Chronic truancy violations will result in a citation.

### **EXCUSING ABSENCES**

The law authorizes the school, not the parent, to determine which absences may be excused and which absences are not excused. Only the following absences may be considered excused absences:

- Personal illness of a student, including mental and behavioral health.
- Serious illness or death in the family.
- Family circumstances and emergencies as determined by the school.
- Prearranged absences, including medical or dental appointments, approved by the principal or his/her designee.
- Absences for school-related activities
- Absences related to parent's active duty in the U.S. Armed Forces.

Excuses for absences will be limited to those acceptable by state law. All others will be considered unexcused. Illness is defined by the Klamath County School District as:

- Fever greater than 100.5;
- Vomiting;
- Rash with or without fever - new or sudden onset;
- Diarrhea (3 watery or loose stools in one day) with or without fever;
- Weepy (fluid or pus-filled) skin lesions;
- Deep, barking cough or productive of colored mucous;
- Irritated eyes that are tearing, sensitive to light, with puffy lids and colored drainage;
- Symptoms or complaints that prevent the student from participating in his/her usual school activities, such as persistent cough, with or without presence of fever;
- The student requires more care that the school staff can safely provide.

By law, notification of students' absences will be sent home by 3:20 each day via OneCall. For an absence to be excused, it is the responsibility of the parent and student to make contact, either by phone or written notification, to the Attendance Office. All excuses must be accompanied by a reason that is in accordance with state law (see list above) or the absence will be regarded as unexcused. Contact should be made prior to, or on the morning of, the return to school. Contact must be made *within one day* following the student's return to school or the absence will be regarded as unexcused and treated as a truancy. If there are extenuating circumstances for the failure of the parent to make contact, the Vice Principal may, at his/her discretion, make an exception.

## **PERMITS TO LEAVE**

Once a student arrives on campus, they cannot leave without a Permit to Leave unless it is during lunch. No P.L.'s are to be issued to attend home athletic events. A student who becomes ill or is injured at school must notify his/her teacher or another staff member as soon as possible. Students must obtain a Permit to Leave from the Attendance Office before leaving campus. Unexcused tardies or unexcused absence(s) will be the consequence if the student fails to follow the procedure above.

*Students who leave campus without a P.L. will be regarded as truant.*

## **TARDIES**

A tardy occurs when a student is not in class and in his/her assigned seat when the bell rings. According to Oregon State Law (O.R.S. 339.010, 339.030, 339.065) Oregon High schools and their designated administrators excuse absences and tardies. The tardy is unexcused if the student does not have a legitimate written excuse from the office, another teacher, or a parent (guardian). Tardies over fifteen (15) minutes will be counted as truant. All tardies will be documented. When a student becomes chronically tardy and other discipline means have not corrected the behavior a student may receive a citation (O.R.S. 339.010), suspended or referred to an alternative educational setting.

We, Mazama administration and staff, believe that parents, instructors, and administrators seek the same goal for our youth, that is to become the most productive and capable citizens that we can develop. Per Mazama's Tardy Policy, prior to the start of lunch, parents may excuse their child late to first period up to, but no more than 4 times per semester. All future tardies (unless accompanied by a doctor's note or pre-approved) will be considered unexcused and the students must serve the consequence.

- Students who are tardy prior to lunch will have mandatory lunch detention the day of the tardy. If a student misses mandatory lunch detention they will be assigned mandatory Wednesday school the next Wednesday, or other means of progressive discipline.
- Students who are tardy after lunch will be assigned mandatory lunch detention the next school day. Failure to serve the next school day will result in the student being assigned mandatory Friday school the next Friday, or other means of progressive discipline.

Mandatory Wednesday School is scheduled every Wednesday from 7:45 am to 9:00 am. Students who fail to attend an assigned mandatory Wednesday school will be suspended immediately for a period of 1-2 days.

Students assigned multiple Wednesday Schools over the school year may be considered incorrigible, leading to additional discipline, suspension, and/or expulsion.

## **TRUANCY CITATIONS**

A citation may be issued as deemed necessary by school administration or the School Resource Officer when unexcused, trancies and/or excused absences are in excess of the number allowed by state law and/or when other measures have failed to improve attendance satisfactorily. Truancy citations may be issued to the student and or his/her parent or legal guardian.

## **ACADEMIC DISHONESTY**

- Honesty underlies all academic endeavors and successes. Academic dishonesty, known simply as cheating, is not acceptable in any form and will not be tolerated or ignored.
- Academic dishonesty includes, but is not limited to, cheating on a test, plagiarism, or unauthorized collaboration with another person in preparing written work.
- Students caught cheating on a classroom assignment or test will receive an "F" for that assignment or test and will receive a referral. Further cheating will result in failure in the class and disciplinary action. In certain cases of academic dishonesty, students will receive additional disciplinary action, which may include suspension and recommendation for expulsion.

### **ACADEMIC SCHOLAR AWARD**

The Academic Scholar Award is awarded to students that have a 3.5 GPA for the first 5 grading periods during the school year, this includes the progress reports.

### **ACADEMIC STANDING/ACADEMIC PROGRESS**

It is expected that most students will earn 6.0-7.0 credits per year in each of their first three years, thus exceeding this minimal standard. Students who fail to make or maintain adequate academic progress as defined above may be referred to an alternative school setting at the school's discretion. Deficiencies in required courses may also be used as a criterion for a referral to an alternative program.

### **ASBESTOS**

The Klamath County School District has complied with the Asbestos Hazard Emergency Response Act (AHERA) by having its buildings inspected by accredited inspectors and the development of a management plan for the control of this substance. The management plan is available for public inspection in the district office. The maintenance supervisor serves as the district's asbestos program manager and may be reached for additional information.

### **ASSEMBLIES**

Different types of assemblies take place during the school year and are considered a part of the regular school program. Students will report to regular class for roll call prior to an assembly and then will sit together as a class or in special designated areas. All students are required to attend. Teachers are expected to attend each assembly. Courtesy and good manners need to be used at all assemblies.

### **ATHLETICS**

Please refer to Klamath County School District's Athletic Handbook.

### **BEHAVIOR/CONDUCT**

At Mazama High School, we believe that close cooperation between parents and the school is essential and is effective in preventing behavioral problems. Maintaining a school climate free of disruption enables all participants to learn and grow. Students, staff, parents and administrators working together create a common willingness to learn. All employees of The Klamath County School District are expected to share the responsibility for supervising the behavior of students and for seeing that they abide by the established rules of conduct. In addition to the policies and procedures described in the Mazama High School Student & Parent Handbook, the Klamath County School District Rights and Responsibilities Handbook outlines codes of conduct and consequences. Since all possible student actions cannot be covered in detail by established rules of conduct, the school administration reserves the right to determine if a student's behavior is appropriate or disruptive at any time on school grounds and at all on- or off-campus school-related activities/events.

### **BACKPACKS & BAGS**

Students are required to store their backpacks and bags in their lockers. Backpacks and bags are not allowed in classrooms or to be left in hallways. Backpacks or bags that are left unattended will be confiscated and taken to the office.

### **BICYCLES**

The following regulations are in effect from 7:00a.m. to 4:15p.m. daily.

- Bicycles ridden to school by students must be parked in the designated area on school grounds and should be locked.
- Students under the age of 16 must wear a helmet as required by law.
- The district assumes no responsibility or liability for loss or damage to bicycles.

## **BUILDING HOURS**

Regular hours are from 7:00a.m. to 4:00p.m. on school days. Students not involved in school-sponsored activities may not be in the building or loitering in the parking lot after dismissal time. Teachers may be reached at the high school from 7:45a.m. to 8:10a.m. and from 3:20p.m. to 3:45p.m. They also may be reached during their preparation period during the school day.

## **BUSES**

Buses are furnished for the convenience of students living considerable distances from school. To ensure the safe operation of the buses, the State Board of Education has set certain regulations to be observed by all who ride the buses. Pupils who refuse to obey promptly the direction of the driver, or refuse to obey regulations, may forfeit their right to ride. Students will not be allowed to leave the bus other than at home or school without a parent note signed by an administrator. Students who are not part of a normal bus route may NOT ride without a parent note and administrative approval. If buses are overcrowded, students who do not regularly ride the bus may be denied a ride. Upon arrival at school, students are under school supervision and are not to leave school property.

Some district transportation vehicles have video surveillance. Please refer to the Klamath County School District's Students Rights and Responsibilities Handbook.

## **CAFETERIA/STUDENT COMMONS**

To keep the cafeteria/commons area clean and attractive, the following rules must be observed:

- Keep the cafeteria line orderly. Be considerate of others.
- Return all trays and dishes to the wash counter.

The expectation is that students have pride in their school and will keep the building and grounds clean. Food is allowed in the building. Excessive trash in the halls, locker areas and/or on the grounds may result in limiting the vending of food to breakfast and lunch serving lines in the cafeteria. (Grounds include the lawns, sidewalks and parking lot.)

## **USDA Non-Discrimination Information**

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), religious creed, disability, age, political beliefs, or reprisal or retaliation for prior civil rights in any program or activity conducted or funded by USDA.

### **CELL PHONE/PERSONAL TECHNOLOGY POLICY**

Personal technology includes but is not limited to cell phones, earbuds, smartwatches, and gaming devices. Students may have personal technology in their lockers but may not have any on their person during academic time (any time classes are in session). Phones and earbuds are not to be seen or heard during any academic time. Watches with cellular connectivity must also be left in lockers during academic time. If a personal tech device is seen or heard during academic time, the staff member will remove the device(s) and follow the below procedure. If a student refuses to comply with a staff directive, he or she will be disciplined for defiance by administration. Students can have their personal technology out before and after school, during break, and lunch. With administration's permission and for educational purposes only, devices may be allowed in the classroom for academic activities.

|--------------------------------|---|
| <b>1<sup>ST</sup> INCIDENT</b> | Device(s) will be confiscated by staff, turned into the main office and placed in the safe. | <b>2<sup>nd</sup> INCIDENT</b> | Device(s) will be confiscated by staff, turned into the main office and placed in the safe. Student will be issued a referral and assigned three lunch detentions at minimum. The device(s) must be picked up by a parent or guardian at the end of the regular school day.   |
| <b>3<sup>rd</sup> INCIDENT</b> | Device(s) will be confiscated by staff, turned into the main office and placed in the safe. The student will be given in-school suspension for the entire following academic day. The device(s) must be picked up by a parent or guardian at the end of the regular school day. The student must then keep their device(s) in the office or leave them at home. |

*Refusal to comply with this policy will result in administrative disciplinary action.*

### **CLASS RANKING**

Class rank will be calculated once per semester and that rank will remain in effect until the next rank is calculated the following semester. Rank will be computed at the end of the 3rd week immediately following the end of the semester. This timeline corresponds with the timeline for completing incomplete grades from the previous semester. Students who receive grade changes, or Alternative Education credit after the 3-week period at the beginning of the semester, will have their cumulative GPA's recalculated, but these new calculations will be only for the purpose of obtaining an accurate GPA and will not affect the class rank.

### **CLUBS AND ACTIVITIES**

It is possible for students to request any new club or activity be formed, if enough students are interested and a faculty sponsor and facilities can be provided with Building Administration final approval. Applications and permission forms should be obtained from the Athletic/Activities Office. Student clubs and performing groups such as the band, choir, rally, dance, drama and athletic teams may establish rules of conduct – and consequences for misconduct – that are stricter than those for students in general. If a violation is also a violation of the Student Code of Conduct, the consequences specified by the district shall apply in addition to any consequences specified by the organization.

### **CONFLICT/CEASE AND DESIST**

Students should attempt to resolve differences with other students with their counselor and/or via conflict resolution before they escalate to the point of possible conflict. However, in cases that cannot be resolved, a Cease-and-Desist Contract will be signed by all parties involved. The students are to have no direct contact verbally, physically, or written with each other or be the direct cause of someone else having unwarranted contact between both parties. Violation may result in disciplinary consequences as determined by administration.

### **CONTROLLED CAMPUS**

Mazama students may leave campus during the lunch period. At all other times, students must obtain a Permit to Leave. Students may not leave campus during break and should not be in the parking lot.

## **CREDIT BY EXAM**

Klamath County School District will offer credit and/or competencies earned by examination. Credit by examination is to be considered a process for ascertaining student competency and awarding credit for a particular course offered at the high school without the student having to enroll or participate in the course. The superintendent or his designee will determine those courses for which credit by examination may be earned. Examinations for these courses will be provided by the district curriculum department and will be given the second week of each semester.

All students must file an application with the school counseling/guidance department at least three days prior to the date of examination. The application must include approval indicated by a signature of a parent or guardian. All applications must receive the approval of the building principal and the district curriculum director. Students may only attempt the examinations twice and these attempts may not occur within the same semester. Students may not attempt credit by examination for a course in which they are enrolled. A student may not attempt credit by examination for a sequential course below the level at which the student has or is enrolled or below the general level of expectation for students. Credit by examination will be given only if the examination is passed. No student may earn more than four credits through credit by examination that will count toward graduation.

When a student successfully passes an examination for a course by the process of credit by examination, he or she shall be granted credit for the course. The enrollment requirement of the course, if any, shall be waived. Credit by Examination (CE) shall be given, but no grade for the course will be noted on the transcript. The course will count toward graduation requirements, both in units and in required course enrollment.

## **DRESS CODE GUIDELINES**

Please also refer to Dress and Grooming in the *Klamath County School District's Rights and Responsibilities Handbook*. Dress codes are enforced to provide a safe, productive school environment. This provides a model of expectations for most employers and schools in this country. The School Principal and/or his/her designee reserves the right to determine if dress is inappropriate or disruptive and action is warranted at any time on school grounds and at all on or off-campus school-related activities/events.

If a student violates the Dress Code Policy, they will be sent to the Main Office immediately to see an administrator. The student will have the opportunity to rectify the violation. Parents may be contacted by the student, administration or designee to have them bring school appropriate clothing and/correct the violation. Continued defiance of the policy can result in additional discipline and/or suspension.

- Students will comply with each teacher regarding hats and hoodies while in the classroom. They must not be a disruption.
- Shoes or sandals must be worn. Slippers are not shoes.
- Shirts must cover all top undergarments, to shoulders and the midriff.
- Top and bottom garments must meet or overlap at all times.
- Long overcoats or trench coats are not allowed.
- All pants must be worn with the waistband at or above the top of the hip bone. Sagging pants must be cinched at the waistband or top of the hip bone.
- Undergarments must not be visible.

### **ELECTRONIC COMMUNICATIONS (SCHOOL COMPUTER AND INTERNET USE)**

Computers are available at school for students to use at school for school-related purposes only. A signed Acceptable Use Agreement Form is REQUIRED of all students using the Internet at school. Klamath County Schools incorporates filtering software on all computers. However, no filtering software is perfect, and responsibility also rests with the student to use the Internet appropriately. Students who use the Internet for non-educational purposes will have their Internet privileges revoked for a minimum of one week. ### **EMERGENCY PROCEDURES**

Schools are a frequent target for random violence. Numerous cases of an unbalanced person entering a school with a weapon resulting in student deaths have been documented. The Klamath County School District has implemented an emergency plan designed to anticipate necessary actions during a variety of disasters involving a shooter in the school. Emergency Procedures have also been developed for earthquakes and building lock-downs due to the eminent danger of violence.

When an emergency occurs, immediate recognition of the following codes is important. Teachers have been made aware of the correct emergency response procedures so please follow their directions as quickly as possible. Specific codes will be announced over the school's public address system and the codes are displayed in each classroom. The following is a list of the procedures:

- Evacuation of building, same as fire drill.
- Lock Out – All outside doors of the building will be locked and secured. Classroom doors remain locked and closed but classroom instruction can continue.
- Lock Down – Teachers will lock all classroom doors to keep students in rooms. Pull shades on doors and or windows. Custodians will lock outside doors.
- Take Immediate Sheltering Action. Duck and Cover. Danger of violence is predicted.
  - In the classroom – shelter in place. Use Duck and Cover techniques.
  - Out of classroom – use any resources immediately available to Duck and Cover. In the open outdoors, lie down, stay motionless.
- All Clear.

## **EVENTS**

To encourage an atmosphere that is acceptable to the majority of students, parents, and school officials, the following regulations controlling school events are in effect:

- Students are to conduct themselves in a manner appropriate to a school activity.
- Students must be in attendance the entire school day in order to attend games, dances, or other after school activities on the same day. If the event is scheduled for a Saturday or non-student day, attendance must be on the last school day prior to the scheduled event. An excused Absence with prior Administrative approval may supersede this guideline.
- The Mazama administration reserves the right to deny admittance to any event for those students who are not making adequate academic progress, who are not maintaining an attendance pattern deemed as satisfactory by the administration, who present behavioral problems, or who have not served detentions that were previously assigned. This includes any students serving a suspension or who have been expelled.
- Appropriate dress, as established by the administration and the Mazama Student & Parent Handbook, must be complied with by all students at all events.
- Students must present their student ID to be admitted.

## **DANCES**

- Dances may last no later than 11:00 p.m. and may not exceed two and one half hours on nights scheduled unless special permission is granted by the Principal.
- Regular school dances, including the MORP, are for high school students only. All guests will be of high school age and attending an accredited public or private high school. All guests must be cleared by the Administration prior to the dance. Only one guest will be allowed per student. Guest sign-up will end two days before the dance.
- Students will not be admitted 1 hour after the scheduled start of the dance. Once a student leaves a dance, he/she will not be readmitted.
- Clubs sponsoring a dance must submit to the Bookkeeper/Assistant Principal reasons for needing funds and on approval must make all necessary arrangements (promotion, decoration, enlistment of chaperones, clean-up, ticket sales, etc.). All sponsors are to see the Bookkeeper or Attendance Office to get the "Dance Event Form." All arrangements for the dance must be completed one week prior to the dance. If all arrangements cannot be made prior to the dance, the dance may not be held.
- Music/DJs will be approved by the administration before being permitted to play for a dance.
- All dances credited to Mazama must be supervised by Mazama staff.

## **FIELD TRIPS**

Field trips may be scheduled for educations, cultural or other extracurricular purposes. All students are considered to be "in school" while participating in district-sponsored field trips. This means students are subject to the school's student conduct rules, applicable board policy and such other rules as may be deemed appropriate by the field trip supervisor. Students attending field trips must meet criteria established by the supervision teacher and administration. Criteria may include that participating students have a current minimum 2.0 GPA and no failing grades. Field trips are for enrolled students in the class or activity. The principal is responsible for administering student activity funds.

## **GRADE REDUCTION/CREDIT DENIAL**

Punctual and regular attendance is essential to the academic success of students. District staff may consider a student's attendance in determining a grade reduction or credit denial, though attendance will not be the sole criterion used. Such decisions will not be based on nonattendance due to religious reasons or a student's disability or an excused absence, as determined by district policy. At the beginning of each school year or course, teachers will inform students and parents how attendance and class participation are related to the instructional goals of the subject or course.

## **GRADES**

The grade earned by each pupil shall be the grade determined by the teacher of the course. The determination of the pupil's grade by the teacher, in the absence of a clerical or mechanical mistake, fraud, bad faith, or incompetence, shall be final. Therefore, questions about grades should be directed to the teacher. Parents wishing to discuss grades with the teacher may call the high school office and ask that a message be left for the teacher to call back during his or her conference time or email the teacher.

## **GRADUATION REQUIREMENTS**

## **HOMEWORK REQUESTS**

When a student is going to miss school due to a school-sponsored activity or at the family's request, arrangements need to be made for keeping up with class work. This may be done through a Pre-Arranged Absence Form from the Attendance Office. If the student is absent due to an illness for two or more days, the Attendance Office may be contacted at 883-5027 to request homework. Assignments may then be picked up in the Attendance Office the following day after 3:00 PM. It is the student's responsibility to make arrangements with his/her teachers for make-up tests, labs and any other missed assignments upon returning to classes.

If the student becomes too ill to remain at school per KCSDs definition of illness, or has an injury requiring medical evaluation, the student will be released to the student's parents or to another person as directed by parents on the student's emergency form. School staff will administer emergency or minor first aid as necessary. The school will contact emergency medical personnel, if needed, and will attempt to notify the student's parents whenever a student has been transported for treatment.

The student is responsible for the care and contents of the locker. Students will be responsible for the expense to repair damage they cause. Students are cautioned against giving their locker combination to anyone. Locks will be sold to the students at a cost of \$7.00. Only blue locks sold by the school may be used on school lockers. All other locks will be cut off and removed immediately to provide the school with immediate legal access at all times. Report locker problems to the Attendance Office so they may be repaired.
